## COOKIES POLICY

The present Cookies Policy is an integral part of the Privacy Policy of "MT INNOVATIVE SOLUTIONS S.A."

"MT INNOVATIVE SOLUTIONS S.A." uses cookies to facilitate your browsing on its website, to collect information about how you interact with our services, and to display targeted advertisements in cases related to your browsing habits. We recommend that you review the present Cookie Policy to learn more about the types of cookies we use, their purposes, and other relevant information that may be of interest to you.

### **What are cookies?**

Our website uses cookies or similar technologies (collectively referred to herein as "Cookies") that are necessary for the performance of certain tasks, as well as cookies used to analyze the use of the website by its visitors. A cookie is a file that stores information on the user's access device (computer, tablet, smartphone, etc.). If the user's device accesses our website, our server can evaluate the information stored in the cookie in various ways (e.g., user recognition or user behavior tracking based on cookies).

Disabling certain cookies may result in restrictions on the functionality or usability of our website. We use cookies to improve your user experience on our website. You can decide for yourself which cookies you want to allow by using the cookie banner buttons on our website.

### Legal basis for the use of cookies

Our website uses necessary Cookies in accordance with Article 6 par. 1 (b) of the GDPR, i.e. cookies that are necessary for the operation of our website. These cookies cannot be deactivated. If you select "Only necessary" from our cookie banner, the cookie banner disappears.

We also use statistical analysis Cookies and functionality Cookies. These cookies are only placed if you have given us your consent. When you visit our website for the first time, a cookie banner appears, where you can make your desired cookie settings and receive detailed information about the individual cookies (e.g., cookie name, purpose of use, storage period). By selecting "Accept all," you give us your consent in accordance with Article 6 par. 1 (a) of the GDPR, and statistical analysis cookies are placed.

If you give your consent to the placement of cookies, the further processing of your personal data will be carried out on the basis of Article 6 par. 1 (a) of the GDPR.

If you do not give your consent, no cookies other than those that are necessary will be placed and no data will be transmitted.

### **Purpose of processing data collected by Cookies**

Cookies are necessary for the proper functioning of our website. The main purpose of the Cookies we use is to improve your browsing experience. In particular, Cookies allow us to remember your preferences (such as language, country, etc.) during your browsing session and on future visits to the Website.

The information collected through cookies allows, among other things, the improvement of the Website, evaluating usage data and patterns, customizing the website according to users' individual interests, optimizing search speed, and generally improving the quality of the services provided.

In some cases, and only with your prior consent, we may use cookies, tags, or other similar systems to collect information that allows us to display advertisements to you through our website or through third-party websites based on the analysis of your browsing habits.

### **How does the cookie banner work and how long are your settings stored?**

The settings you have made via the banner remain stored for the entire lifetime of the corresponding cookie, for the storage of which you have given your consent, and the banner will not appear when you visit our website again. After this period has elapsed, or if you have deleted the cookie in another way, the banner will reappear and you will be asked to reconfigure your cookie settings.

**Controlling and changing cookie settings / withdrawing your consent**

There are various ways you can prevent cookies from being placed, delete cookies that have already been placed, and adjust your settings.

On the one hand, you can adjust the general cookie settings via your browser and/or delete cookies that have already been set in your browser.

You can customize the settings for individual categories of cookies on this website. Here, you can access your settings and adjust them at any time or revoke your previously given consent.

For mobile devices, you can also set permissions for apps installed on your device through your mobile device settings.

For information regarding the Data Controller and the further processing of your personal data, please refer to the Privacy Policy posted on our website.

The statements in the present Policy also apply to the use of applications from mobile devices and are applied accordingly.

**Links to third-party websites (Hyperlinks)**

The website may contain hyperlinks to third-party websites, which are solely responsible for the content they publish, as well as for the security, their validity, and the way in which they manage any personal data they may collect, store, and process.

In addition, our website may contain integrated sharing buttons (e.g. "share" via Facebook or X), which allow you to share content on your social media accounts. These websites may install cookies when you connect to their services.

“MT INNOVATIVE SOLUTIONS S.A.” has no control over the cookie settings used by these external websites. For this reason, we recommend that you carefully review their privacy policies in order to

be aware of and ensure that you agree with how your personal data is managed before using any of their services.

**Log files**

Every time a visitor/user submits a request to the website server through their browser, certain technical data is automatically recorded in log files, namely:

the IP address of the visitor/user,

the date and time of the request for data transfer via the https protocol,

the server response code and the relevant parameters of the request, as well as

the type and version of the browser used.

The collection of this information is intended to enhance the security of our Company's services and information systems, ensuring the availability, integrity, and confidentiality of data from accidental, illegal, or malicious access or alteration. At the same time, this data is used to analyze potential cyberattacks or incidents and may be used in legal proceedings, if necessary.

The logs are kept for up to 12 months. If required, they may be disclosed to the competent authorities. Any data relating to legal claims is kept for as long as necessary to complete the relevant proceedings.

**Changes to our use of cookies**

We reserve the right to amend the Cookie Policy from time to time, either in whole or in part, at our sole discretion. Any amendment to this Policy will take effect immediately upon posting the amended Policy on our website. The amendment will be accompanied by a notice on the home page of our website indicating the change.

In any case, if you continue to use our website and its services after such amendments, you will be deemed to have accepted those amendments. If you do not agree with the terms of this Policy, as

Version 1  
July 2025

they may be amended in the future, either in whole or in part, you must immediately cease using the Website and the services provided through it.

Any changes to this Policy will be posted here immediately, with the date indicated, so that it is clear which is the most recently updated version.
